## Service is our first priority.

Priority Funding is a lender service company based in Northboro, Massachusetts that is committed to providing highly profitable and safe consumer loans to lending institutions.

Since 2003, Priority Funding's management team has worked closely with its client lenders to help them build portfolios that suit their needs.

## Why Priority Funding?

- On-demand loan volume with minimal up-front work and expense
- High-yielding and "virtually loss free" consumer loan portfolios
- Protection against Loss and Prepayment exposure
- Designated support staff for your portfolio
- Ongoing support from origination through closing & beyond

## At Priority Funding we:

- Generate loans and screen the borrowers
- Submit the loan to the lender for approval
- Satisfy lender stipulations, close and fund the loan
- Originate and close loans in compliance with all State and Federal regulations
- Deliver the closed loan package to the lender
- Help protect the lender against loss and prepayment exposure
